# Foothills Caring Corps News

SPRING 2010

Foothills Caring Corps has moved into our new offices! With the help of many volunteers and a host of donors, we opened our offices at 7275 E. Easy Street, Suite B103 & B104. We hosted an open house on April 12th and were happy to see over 125 people attend. Dignitaries included: Carefree Vice Mayor, Glen Miller; Carefree Councilman, Bob Gemmill; Cave Creek Councilman, Jim Bruce; and former Carefree Mayor, Wayne Fulcher.

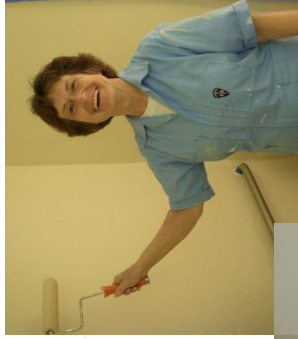

A special thank you to Jo Gemmill, proprietor of the English Tea Room, for the lovely and tasty desserts, and to Diane & Brad Straus for all the delicious appetizers and snacks. We had our "gong" prizes donated by local retail shops and the Carefree Chamber of Commerce assisted with the ribbon-cutting. We enjoyed wonderful music by David Sheehy. It was a lovely day to invite folks for tours and highlight our new offices. As you know, most all our furnishings were donated. We had multiple individuals and groups donating items which makes our space look so professional. We thank you all.

We have additional space for meetings and additional office room at 7208 Ho Road which was donated by Doug Dragoo. Our community support has been fantastic.

As a special kick-off, we will be holding a **Wine Tasting** at Suite B 106 on **June 17, from 5-7pm**. If you haven't had a chance to tour our building or are a wine lover, please join us. We are requesting a \$30.00 donation. Wine will be furnished by AZ Wine. Please RSVP at 480-488-1105. We invite you to take a tour of our new space!

**It's time** for our annual **summer recruitment for volunteers**. Foothills Caring Corps has had a very busy year.

- We continue the five routes for our delivery of Mobile Meals serving 51 Neighbors.
- With three vans we continue to provide social and recreational trips. We have also begun providing transportation for those residents in wheelchairs. We are looking for drivers and assistants to become trained to assist with our expanded van program.
- We need additional volunteers who might want to provide **friendly visiting** and respite care to older adults who are homebound. These match-ups are based on your schedule.
- We also are looking for people who would like to provide **individual transportation** for medical appointments.
- Come help Jayne to prepare the activities and trip calendar for the vans. If you enjoy trip planning, call Jayne.
