Farewell Maggie Palmer

Maggie Palmer was honored for her 12+ years of amazing work with Foothills Caring Corps on July 31st... The celebration attended by volunteers, Board Members and Neighbors kicked off her next journey in life, retirement! Although Maggie will be missed for her incredible passion for helping Neighbors, her upbeat determined work style, and her always ready smile and laughter, we know her next chapter in life will be filled with joy, family and travel. After some “Maggie stories” we wished her bon voyage. Wonderful goodies were provided by Culinary Creations by Connie.

Gift of Securities

Did you know that it can be advantageous to use your stocks, bonds, or mutual funds to make a charitable donation to your favorite charity i.e. Foothills Caring Corps. This giving strategy works best if you've held the asset for more than a year and if you itemize deductions on your tax return.

The double tax benefits:

- The charitable deduction that one receives is generally based on the full market value of the securities transferred to the charity on the date of the gift!
- The long term capital gains tax is avoided by the donor!
- Any unused charitable deduction can be carried forward for 5 years!

For example, when an individual sells shares of long-term appreciated publically-traded stock, the proceeds of the sale are subject to capital gains tax. However, if the stock owner gives the shares to a public charity and the charity sells the stock, there is no tax due on the gain plus the individual will get a charitable deduction!

The tax aspects of charitable giving can be complex, so it's a good idea to consult with your tax advisor about your personal giving strategy.

If you are interested in learning more about this charitable giving option, please contact our office.

FCC Social Media

As we look into the future with Foothills Caring Corps, we know that there are huge benefits in bringing our neighbors, volunteers, staff, community, and family members closer together. We want to be an organization that brings all our stakeholders together through a connected community. We believe that we can achieve this through increased efforts in social media.

Foothills Caring Corps is excited to announce that initial planning is underway to develop new strategies to increase our social media presence. We are looking to connect with the Foothills Caring Corps community through multiple social media sources such as Facebook, LinkedIn, and Pinterest.

Some initial approaches include

assembling a volunteer group to lead our social media strategy, posting fundraising events to our network, and sharing "how to" information for our readers. With the support of our board, staff, and volunteers we will also look at incorporating social media education into our existing volunteer programs.

A social media focus will benefit our neighbors as we are able to connect them with their families and our organization while educating neighbors and deepening our relationships with them. Our focus in social media will result in enhanced exposure to others in our communities and beyond, which

in turn will increase awareness for the organization and the wonderful services we provide. We believe that social media will provide multiple benefits in supporting our operations as well, including increased

donations and volunteers to help with our day to day activities.

We look forward to keeping our newsletter readers updated on our social media journey as we continue with this new approach to connecting with others and increasing the number of individuals that we positively impact every day.

August 20th Volunteer Ice Cream Social

Our summer volunteers do double and triple duty to keep up with the demand during this time of year when 50% of our volunteers leave for cooler climates. What better way to say thank you than ice cream with any topping you choose, ...maybe root beer floats,maybe a little of both?????

You're the top!!! Sweet, gooey, colorful, crunchy, fruity, nutty and just the right topping to make wonderful services for F-C-C!!!

THANK YOU! Special thanks to Lori Nitta for organizing our Social!!
