If you enjoy meeting people and being of service, The Van Program, Mobile Meals and Medical Transportation could use your help. Please consider sharing your time to participate in these important services which we provide to older adults and adults with disabling conditions.

- Van Program — Drive or Assist on group outings to shopping, restaurants, the theater, concerts, library activities, Chair Yoga, Silver Sneakers and many other fun and interesting events. This program is a wonderful networking and social experience for our Neighbors.
- Mobile Meals — Drivers deliver hot lunch time meals to our Neighbors. This delivery coupled with a short visit always brightens everyone's day.
- Medical Transportation — Drivers provide much needed transportation to and from medical appointments.
- Wheelchair Accessible Medical Transportation — Drivers and Assistants provide transportation to and from medical appointments using the FCC vans for our wheelchair bound Neighbors. The need for this type of service has **quadrupled** with an increase of **400%** in the past year!!

Make a difference in your life and the lives of others! Please join us at the next Volunteer Orientation on October 12th at 9am. For more information or to RSVP call the Foothills Caring Corps at 480.488.1105.
