For 17+ years the Foothills Caring Corps has joined with area congregations to offer the community this opportunity to come together in praise and thanksgiving for all of the ways in which God has blessed our lives throughout the year.

The Foothills Caring Corps helps older adults and homebound individuals to remain healthy and living independently in their homes. Last year 37,357 hours of volunteer program services were donated by 554 active volunteers supporting the Foothills community.

Bring your family and guests to this festive celebration of Thanksgiving.

In a collaborative spirit, several local nonprofit and for-profit agencies organized and implemented the Senior Health and Wellness Expo held on October 18th at the Desert Hills YMCA gymnasium. The intent of the EXPO was to provide a one-stop-shop to learn about local resources for Desert Foothills residents. More than 155 participants at the EXPO were able to talk with 40 resource vendors, obtain information about services and in some instances, sign up for services. Participants were also able to listen to several presenters who spoke on wellness topics and demonstrated healthy body exercise.

A special thank you to the presenters, resource vendors, volunteers, staff and participants who made the EXPO a successful event. We were also pleased to be recipients of support from Northern Trust who helped to sponsor the event. Stay tuned as it is expected that the local non-profits of the Foothills area will annually work to use the EXPO format to publicize our local resources. For more information about the event or to comment or get involved, please call Debbra at 480.488.1105 or email [debbrad@foothillscaringcorps.com](mailto:debbrad@foothillscaringcorps.com).
